

Two Workshops—One Day

October 12, 2011, 8:00am - 12:00pm

Arizona Public Health Training Center in partnership with the AZPHA MCH Section Conference

University of Arizona College of Medicine, Phoenix Campus

Virginia C. Piper Auditorium

550 E. Van Buren St., Phoenix, AZ 85004

Workshop 1 Overview

UPSTREAM SOLUTIONS TO DEVELOPMENTAL CARE

Learn why early childhood matters and what activities parents can do for their children during the first three years of life.

QUALITY OF MOVEMENT IN INFANTS AND TODDLERS

This session will help you understand brain development. Hear about experiences that parents have and information on the quality of movement in infants and toddlers.

SUPPORTING CHILDREN, SUPPORTING PARENTS: KEEPING RELATIONSHIPS IN MIND

Supporting parents in engaging and collaborative ways. Develop a dual understanding of developmental issues in ways that keep the relationship as the focus of the conversation.

Workshop 1

Birth to Five: Developmental Care, Quality, and Resources

Providing practical suggestions, resources, and demonstrations that professionals can put into practice

Keynote Speaker: Jill Stamm, PhD, Co-founder of New Directions Institute
