

Holiday Greetings from the Ohio March of Dimes

As 2009 comes to a close, the Ohio Chapter March of Dimes would like to extend our heartfelt thanks and appreciation to all of our donors, volunteers and supporters as we collectively work to give all babies a chance to start their life healthy. Your valuable donations of time, resources

and money have been well invested to help the March of Dimes care for our smallest citizens. Our dedicated volunteers inspire us everyday with their passion and zeal to contribute so that no family feels the grief and sadness of losing a child to prematurity and or birth defects. We thank you for your generous support in 2009 and will count on your continued friendship in 2010.

Make a Year-End Gift to the March of Dimes

This has been a challenging year because of the deep level of concern that all American families, especially our growing families, are feeling. Now more than ever with health care in flux, with the economy down, with parents-to-be facing so much uncertainty, we need to step forward to help those tiny miracles who can't ask for help themselves. Now more than ever we need your help, we need your support, we need your time, and we need you to reach into your pocket and [help the March of Dimes](#).

The March of Dimes is inspired by all babies – those born healthy and those who need our help to survive and thrive. They are the millions of reasons behind our urgent mission
