HERE'S HOW...4 Easy Steps

Collect your team's money and sponsor envelopes early.

The March of Dimes staff and volunteers will be collecting your team's sponsor envelopes at several bank branches throughout New Jersey.

1. Collect your team's sponsor envelopes, with donations sealed inside. (Do not open envelopes.)
2. Place all sponsor envelopes in the manila team leader collection envelope (you should have received this with your March for Babies materials). Don't forget to ask your walkers to print out their online sponsor forms too.
3. Fill out all necessary information on both sides of the manila team leader collection envelope. Make a copy for your records.
4. Bring the manila team leader collection envelope to one of the listed bank branch locations at the designated times and dates.
