

Online Registration and Fundraising Tips for teams and participants!

Our team name: _____

Register and Fundraise online by going to www.marchforbabies.org/ _____

Previous online registrants do the following:

- 1) Log on using last year's username and password. Forgot either one? Enter last year's email address and they will be emailed to you
- 2) If you changed your email address or job location, you will have to email the help desk at OFTHelp@marchofdimes.com or call (888) 274-3711

New to online fundraising this year? Do the following:

- 3) Go to www.marchforbabies.org/ _____
 - 4) Click JOIN THIS TEAM
 - 5) Sign Up by filling out your personal profile!
- You are done! Your personal page has been created for you and you are ready to begin fundraising. You can edit your personal page at any time.
- Email family, friends, and colleagues by entering your email addresses into the March of Dimes system or copy your URL link into your own email and send to your contacts from there. This can help you raise more money. The main reason why people do not donate is that no one asked them to give (don't be shy)!
- Print your sponsor form (click on the index tab that says printer friendly version) and give to team captain or bring to Bank Day or March for Babies Day. This form will show all online donations and those contributions that are pending (cash and checks not yet received).
- In addition to emails, continue making phone calls and connecting with friends and colleagues.
- Your team has a team page! On your personal page underneath your name, there is a line that says team: your team name. Click on your team name and you will be able to see the other members of your team.
- TEAM CAPTAINS:** If you are a team captain, please talk with your March of Dimes Representative to learn how you can see additional reports for your team. This includes being able to send out a URL specific to your team, getting reports on who has signed up and their totals, customizing the team page as well as entering offline donations. Talk to your March of Dimes rep for more details!
