Jeffrey Ridgeway, MD

University of Washington Medical Center

26th Annual SMFM Meeting

January 30-February 4, 2006

Fontainebleau Hotel

Miami Beach, FL

November 15, 2005

Dear Healthcare Provider,

The Society for Maternal-Fetal Medicine was recently asked to review the March of Dimes sponsored Preterm Labor Assessment Toolkit.

The toolkit materials were viewed favorably by the key SMFM leadership who reviewed them and deemed to be an important resource for healthcare providers and for hospitals in addressing preterm labor.

The Society for Maternal-Fetal Medicine is pleased to support the Preterm Labor Assessment Toolkit.

Sincerely,

Michael P. Nageotte, MD
President
Society for Maternal-Fetal Medicine
